"As I reflect on this past year, I am deeply grateful for the vibrant community that continues to grow stronger in and around downtown Concord. Our mission to amplify and celebrate connections has never felt more relevant than it does today. This year, we've witnessed remarkable growth in community engagement, from families creating new traditions together to neighbors forging lasting friendships at our events. Each partnership we've cultivated and every joyful moment we've created reinforces what we've always known: that downtown Concord thrives when we embrace diversity, foster inclusion and celebrate connections. Thank you to everyone who has contributed to another remarkable year in downtown Concord."

Beth Mulleavy - Intown Concord President
